MEMORANDUM

To:

All Mid-Pacific Region Employees

From:

Donald R. Glaser

Regional Director

Subject: Regional Equal Employment Opportunity (EEO) Policy and Discrimination Complaint

Procedure

<u>Purpose</u>: The letter sets forth the Mid-Pacific Region's EEO policy and organization structure and the procedure for processing discrimination complaints. *This letter supercedes Regional Letter No. 08-09 dated July 31, 2008.*

<u>Scope</u>: This policy applies to all offices of the Mid-Pacific Region and their employees, former employees, and applicants for employment.

Effective Date: Upon issuance.

Policy: The Mid-Pacific Region is committed to equal opportunity and diversity principles in all aspects of employment. All employees, applicants for employment, and members of the public who seek to participate in regional programs, services and activities will not be discriminated against on the basis of race, color, age (over 40), religion, national origin, sex, disability, sexual orientation, protected genetic information, or status as a parent. In addition, reprisal against those who exercise their rights under applicable EEO laws, or oppose unlawful discriminatory practice at the Region, is prohibited and will not be tolerated. Equal Opportunity protection includes all human resources/employment programs, management practices and decisions, to include recruitment and hiring, merit promotion, reassignment, training and career development. The Mid-Pacific Region promotes full realization of equal opportunity and the benefits of a diverse workforce and supports the Department of the Interior's policy of zero tolerance for discrimination and harassment.

The Mid-Pacific Region will ensure EEO program requirements are enforced consistent with the governing regulatory statutory guidelines. It will promptly investigate all allegations of workplace

harassment and where allegations are substantiated, appropriate remedial action will be taken.

The Mid-Pacific Region maintains an EEO office (MP-104), which is responsible for administering the Discrimination Complaint Process, Alternative Dispute Resolution (ADR) program, and related activities. Associated programs, such as the Special Emphasis Program, are supported by the Human Resources Office (MP-500). Both offices collaborate to support Management Directive 715 EEO Plan activities. Sufficient resources are dedicated to accomplishing EEO and diversity goals and objectives.

Employees or applicants who believe they have been discriminated against, or have been subjected to harassment have the right to file a complaint with the Regional Office of Equal Opportunity. The first step is to contact an EEO counselor and seek EEO counseling within 45 days of the alleged discriminatory action. If EEO counseling does not result in resolution, a formal complaint may be filed. For further information regarding the complaint process, please review the Regional EEO complaint process poster, or visit www.usbr.gov.mp/eeo.

Each manager and supervisor must apply the principles and methods of equal opportunity in daily organizational activities. Managers and supervisors must be especially aware that our leadership roles place us in a position where our behavior is particularly critical to the work environment. All employees are responsible for doing their part in maintaining a discrimination-free, respectful and productive work environment.

Violation of this policy is specifically prohibited and will result in disciplinary action up to and including removal.

This policy letter will be posted at every major office in the Mid-Pacific Region along with a poster listing the Region's EEO Counselors in a location visible and accessible to all employees. The policy is also available electronically at www.usbr.gov/mp/eeo.
